

**PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

CAROL DOWNEY

OCCUPATION: Governing Board Member/Retired Teacher

I have been a member of the PYLUSD School Board for four years. As a parent, grandparent, and District resident for forty years, I place a high priority on maintaining the high quality of our District's educational programs.

Due to the passage of a bond measure and the settlement with the Yorba Linda Redevelopment Agency, we have been able to implement modernization projects for all our schools, and are building three new elementary schools, a middle school, and a high school in Yorba Linda.

Our test results continue to show steady improvement.

Our new technology curriculum, the International Baccalaureate Program, and AP classes challenge our students.

I served as a teacher in PYLUSD for thirty five years, have an M.A. degree as well as an administrative credential. During the forty years I have spent as a resident in this community, I have been involved in many organizations. I served on Placentia City Council and was the first woman mayor.

I am very proud of the fine educational experiences we offer all the students in our district and will work diligently to maintain the high standards and quality education we provide.

I would appreciate your support. Vote Carol Downey on Nov. 2nd.
